Dan,

Wanted to let you know that we are holding the Westlake OU 01 bill until Audrey is able to speak with the PRP. She wanted them to be aware of the bill before it showed up because it is such a large amount. Once Audrey has been able to contact them, she will let us know and we will send the bill out at the time. She was hoping to reach them sometime today. We are hoping to be able to send the bill on Friday.

Steve
